## Winsor & Newton ProMarker

- Provides streak-free, flat colour that's easy to blend and layer.
- Can be used on a variety of ink-resistant surfaces, including acetate, glass, plastic or even wood.
- Excellent for illustration, graphics, product design and animation.

## Winsor & Newton BrushMarker

- The capabilities of a marker pen, with the qualities of a brush.
- Offers great flexibility, for varied, fluid strokes, but with consistent inkflow.
- Ideal for illustration, manga, graphics, animation and fashion design.
